## We now offer pediatric dentistry and orthodontics

- Dr. Blair is the area's only dual board certified pediatric dentist and orthodontist
- Orthodontic consults are complimentary, and comprehensive cases come with professional teeth whitening and 1 year of unlimited retainers included
- A child's first pediatric exam should be at 1 year old
- A child's first orthodontic exam should be at 7 years old
- Coming to us provides 3 unique benefits:
  - 1) **CONVENIENCE:** pediatric dentistry for your kids and orthodontics for your whole family (rare)
  - 2) **AVAILABILITY:** accepting new patients with no waiting list (this is rare)
  - 3) **PEACE OF MIND:** quick and easy school form completion, and we work with all insurances

### Meet Your Board-Certified Doctors

**Our husband-and-wife dream team is here to make you smile.**

#### **Dr. Susan Blair DDS**

Being an orthodontist and kids dentist is my dream job! I have a background in pediatric dentistry, which has taught me to be extra sensitive to the needs of my patients (of all ages)!

- Diplomate, American Board of Orthodontics - Board-Certified Orthodontist
- Diplomate, American Board of Pediatric Dentistry - Board-Certified Pediatric Dentist
- Extensive training and expertise in Invisalign® and state-of-the-art Damon™ braces

#### **Dr. Nick Riccio DMD, PC**

I operate on a patient-first model, which is why I am committed to serving patients and their evolving needs. I use my professional philosophy and my practical knowledge to improve the lives of my patients and create smiles worth sharing.

- Diplomate, American Board of Orthodontics - Board-Certified Orthodontist
- Extensive training and expertise in Invisalign® and state-of-the-art Damon™ braces
